

1 Q Have you had the opportunity to work with
2 Heiner Popp on any occasions other than this?

3 A I met Heiner Popp four or five times. Have
4 I had a job together with him? No.

5 Q And did you meet him four or five times in
6 conjunction with this matter or various matters?

7 A Not with this matter.

8 Q Have you ever met him in connection with
9 this matter?

10 A No. I've seen his reports though.

11 Q Is he a class certified surveyor?

12 A He was. You mean a class certified
13 surveyor as a class surveyor?

14 Q Yes, sir.

15 A No, he's not a class surveyor anymore.

16 Q He was at one time you said?

17 A Yeah. To be quite honest about that, he
18 told me that he was very disappointed that he could
19 not do class work anymore.

20 Q Why?

21 A Because the IACS rules that he's a
22 nonexclusive. He was never ever employed by -- I

1 wire -- and would you pull your report out with your
2 photographs that show the examination of the wire at
3 Chesapeake?

4 A There are no photographs taken by me.

5 Q Who took the photographs?

6 A Heiner Popp has taken photographs. They
7 are in his report. So are the measurements.

8 Q And you're depicted in at least one of
9 those photographs, correct, sir?

10 A I've compared those photographs with what I
11 assume in reality and based my opinion on the last.

12 MR. WHITMAN: I don't think that was the
13 question. Listen to the question.

14 MR. ASPERGER: If you don't understand
15 something, just ask. Let's mark this.

16 (Cederstav Deposition Exhibit 3 was marked
17 for identification and retained by counsel.)

18 BY MR. ASPERGER:

19 Q I'm showing you Exhibit 3. This is Heiner
20 Popp's report to which you were referring, correct,
21 sir?

22 A Yeah. He has two reports though. I don't

1 know if you've picked the right one. This is the one
2 which he did of the wire.

3 Q While you were present?

4 A I was not present.

5 Q You were not present for this?

6 A No.

7 Q Where is the one that he did of the wire
8 when you examined it at Chesapeake?

9 A You have misunderstood this. They had a
10 survey of that wire with Captain Popp. I was not
11 present.

12 Q Let me start again. What was done at
13 Chesapeake when you were present and examined the
14 wire? First of all, who all was present?

15 A Eric Veit and myself.

16 Q And Mr. Dolan?

17 A No. Mr. Carson?

18 MR. VEIT: Can I clarify?

19 MR. ASPERGER: Thank you. That would be
20 helpful.

21 MR. VEIT: The Captain Popp report you're
22 referring to, as you can see on the date, is dated
